

Young Children's Concert!

Saturday, October 16, 2021, from 10:00-10:45 am PDT on Zoom, free and geared for ages 3-9.

Join "Eddie Spaghetti" and "Linderella Mozzarella" for an interactive performance with storytelling, puppets, singing, and movement activities. Children will move their bodies to fun songs, chat with puppets, sing new & traditional songs, and listen to captivating stories.

Linda Kennedy (Linderella Mozzarella) is a retired Kindergarten teacher. As a parent wrote, "Mrs. Kennedy had as much fun in school as the kids. She would get down on the floor with them and invite them into stories that made their little eyes sparkle. A little bit teacher – a little bit parent – a little bit grandma – all rolled into a whole lotta love."

Ed Lewis (Eddie Spaghetti) has been a preschool and elementary schoolteacher as well as an early childhood professor. He has traveled throughout the world performing in schools, using storytelling, puppets, instruments, singing, and dance.

This **Young Children's Concert** is a production of SAC, the Storytelling Association of California. For more information about SAC, please visit our website at <http://www.storysaac.org/>

After registering, you will receive a confirmation email containing information about joining the meeting.
